RE: Report on CWS work at Forty Love Point for October 2018  
Docket No. 2017-292-WS

Dear Ms. Boyd:

By Order No. 2018-677 (dated October 3, 2018), the Public Service Commission of South Carolina ("Commission") requested the Office of Regulatory Staff ("ORS") to monitor the work of Carolina Water Service, Inc. ("CWS") at Forty Love Point and report to the Commission on a monthly basis.

The attached letter from CWS dated October 26, 2018, provides an overview of the completed and ongoing work by CWS at Forty Love Point. ORS has reviewed the information provided in this letter and finds it to be a reasonable update on the issues identified in this docket.

CWS reports it has not received any sewer complaints from the residents subsequent to the work performed on October 10, 2018. For the month of October, ORS did not receive any customer complaints for sewer service from residents of Forty Love Point.
